The diagram illustrates a web application interface for a car rental service. It is divided into three main sections:

- Header:** A rectangular box at the top containing the text "nazov udalosti".
- Left Sidebar:**
 - A rounded rectangular button labeled "link:meno organizatora".
 - A large rectangular box labeled "info".
 - A rounded rectangular button labeled "zucasnit sa".
 - A rounded rectangular button labeled "pridat auto".
- Main Content Area:** A large rectangular box on the right side, titled "auta" at the top. It contains eight horizontal bars of varying lengths, representing a list of cars.
